

# SADHU VASWANI INSTITUTE OF MANAGEMENT STUDIES FOR GIRLS

6, Koregaon Road, Pune 411001

**BELIEVE & ACHIEVE**

## About SVIMS

The Sadhu Vaswani Institute of Management Studies (SVIMS) for Girls, Pune, works under the aegis of the Sadhu Vaswani Mission. The Institution represents the culmination of our Rev. Founder, Sadhu Vaswani's dream to empower women in the interests of social and national progress. Our lineage from the Sadhu Vaswani Mission gives us our unique identity, our special values and our fundamental moorings in ethics and fair practices.

The Institution was set up in 2010 as a self-financed Professional Institution and is recognised under the All India Council for Technical Education (AICTE) and affiliated to the Savitribai Phule Pune University. The Institution has flowered into a Management Institute offering Master of Business Administration and Master of Computer Applications Program and has a Ph. D Research Centre. It enjoys a distinct identity and brand value, which are beginning to be appreciated in academic circles and the student community alike.

Rev. Dada has given SVIMS the motto, BELIEVE AND ACHIEVE!

Our goal is to help produce a new generation of women managers who will not only be self-confident and sensible, but also ethical and sensitive to the tremendous challenges they will face in the corporate world. We hope to create a new generation of successful women professionals, who will combine idealism and pragmatism in their approach to the challenges of personal.

**SVIMS - Creating Opportunities in Management and Tech for Women in India** at 135 out of 146 countries in Gender Parity; 143 in economic participation and opportunity and 107 in educational attainment [Gender Gap Report 2022 - World Economic Forum] is struggling to achieve Sustainable Development Goal 5: Gender Equality. There is under representation of women in positions of power and decision making. In India, [Mercer Study 2022] in the technology sector for instance, only 12-17% of positions at the managerial level are occupied by women, and a mere 4-8% at executive levels. This skewed, 'one gender view' leadership has caused long term harm to economic growth and social development. There is a need for conscious and integrated effort to reduce this gender gap. SVIMS is a progressive walk towards a gender-just world and its associated moral, human, economic and development benefits. Our distinction lies in providing women management and tech education – superior tools to seek empowerment - economic, social and psychological.

## VISION

SVIMS shall be a preferred institute nurturing women innovators and leaders with managerial, entrepreneurial skills, promoting value based, transformative education to serve industry and society.

## MISSION

Transform women to become thought leaders and solution providers to industry and society

M1: To provide student – centric quality management education that helps in successfully taking up the practice of management/ entrepreneurship, research/higher studies

M2: To develop an eco-system for promoting knowledge creation and innovation and industry engagement to help students stay relevant

M3: To impart character building education to promote human values, inspire ethical behaviour, and an urge to 'lead and serve society'

M4: Impart essential life and lifelong learning skills to constructively respond to challenges thrown up by the VUCA world

## Curriculum at SVIMS... Preparing You for Success

The curriculum offered at SVIMS is multi-disciplinary and adequately prepares the students for the VUCA world.

We follow the curriculum (MBA and MCA programmes) designed by the prestigious Savitribai Phule Pune University and the following specializations are offered for the MBA Programme:

- Finance
- Human Resources
- Marketing
- Business Analytics

The curriculum helps the students to develop managerial competencies, analytical thinking, problem solving abilities, developing an entrepreneurial mindset, communication skills, global orientation interpersonal competencies [team building, self-awareness etc], global and social sensitivities.

## MBA ++

The differentiation in our curriculum lies in the additions we make to the Curriculum. We impart training in heart-based leadership through special Art of Living/Sanctuary classes.

AICTE's special course on Universal Human Values. Value Added Courses that are SPPU approved Or Conducted by SVIMS in association with professional Agencies/ Knowledge Partners, most of it for free or at nominal fees. These help in the holistic development of students and help students gain a competitive edge by developing their employability skills and in general the 'much in demand' 21st Century Skills.

## MOOCs

The New Education Policy 2020 highlights and promotes MOOCs( Massive Open Online Courses). A majority of the Courses are designed by the academically elite and prestigious institutes like IITs and IIMs. These courses are available on NPTEL/ SWAYM platforms.

### **SVIMS is a recognised/ authorised Local NPTEL Chapter NPTEL(National Programme on Technology Enhanced Learning)**

NPTEL courses are available across 23 disciplines, with the learners getting a certificate from IITs/IISC. The certificate courses are offered twice a year (Jan – June, July- Dec) There is an optional proctored examination that the learner can take at the end of the course to earn certificate from IIT/IISC at a nominal fee. The exam is conducted across India in 200 + cities. The main advantage of participating in an online course under NPTEL is that 'Credit Transfer' is possible through ABC ID.
