About the Quality Development Course:

The course elevates and metamorphoses teachers into quality engineers in the educational field. The course is comprehensive and covers the whole gamut of operations and processes in an educational institution and builds in the participants a 'quality mindset' for handling these operations. Educational leaders and teachers are thus equipped to build institutional quality and become catalysts of change in the educational institutions they serve.

ABOUT

SADHU VASWANI INSTITUTE OF MANAGEMENT STUDIES FOR GIRLS (SVIMS)

SVIMS is one of the flagship institutions of the MIRA Education Board, functioning under the aegis of the internationally renowned Sadhu Vaswani Mission. Our lineage from the Mission gives us our unique identity, our special values and our fundamental moorings in ethics and fair practices.

We are an ISO 9001:2015 and NAAC accredited B-School dedicated to the empowerment of a new generation of women managers, who will provide both ethical and effective leadership in a resurgent India. The institute has a registered Ph.D Research Centre affiliated to the Savitribai Phule Pune University and is the proud recipient of the 'College of Substance' Award instituted by the Natrajan Education Society.

We nurture a culture of nonviolence and heart-based leadership in the stakeholders associated with the institute.
