Campus-Corporate-Connect: A Step Closer

Resource Person: Ms. Ujjwala Phalke, an NSDC Master Trainer

Ms. Ujjawala Phalke took our students through a series of games like that of 'Human Tic-Tac-Toe', sessions on meditation, team building activities and appreciation hour. It was through these activities that students discovered their own personal qualities through their own analysis and as voiced by others in the form of appreciations. They were opened to new ways of calming oneself and tricks of networking. Our efforts have always been to connect Campus to the Corporate in a way that students are left with deeper truths of the corporate world but in a fun way.

Your Career Objective is as much Ours too

Date: 17-Sep-2018; Participants: 89

Resource Person: Mr. Abhay Landge, Andhra Bank

To emphasise and to open new avenues of career for our students, we arranged a session on Government exams and Banking exams, by Mr. Abhay Landge, on 17th September 2018. Mr. Abhay Landge is currently the Director of Winners Institute, coaching classes for guiding prospective students on Government and Banking exams and he has 7 years of experience of working in Andhra Bank.

This session proved to be an eye opener in breaking students' myths, students' perceptions about working in a Government sector. After Mr. Landge was done with delivering his session, there was one-on-one counselling arranged for students who were interested in working in Banks/Government organisations.

## Effectiveness of Emotional Quotient in the Corporate World

Date: 16-Jan-2019, Participants: 64

When awareness is brought to an emotion, power is brought to your life and to create this awareness, we had invited Ms. Mihika Bhanot, an Image Consultant certified from the USA and a soft skills trainer with vast experience. She, very tactfully, demonstrated self-worth by crumpling a 100 rupee note, throwing it on the floor and then asking students if, merely, crumpling or throwing the note decreased the value of that currency. Through a variation of Dumb Charades, she brought their emotions to life and gave them lessons on teamwork, leadership and strategy making too. Throughout the session, it was through her personal experiences that she shared the techniques to control specific emotions at workplace and gave a very mature suggestion of either talking directly to the person with whom you have had problems or if you cannot take it anymore, just walk out of it with dignity.
