## **Report - DOTILLISM ART**

Sadhu Vaswani Institute of Management Studies for Girls organized a workshop on **Dotillism** in the fond memory of our Rev Founder Dada JP Vaswani's birthday on 2<sup>nd</sup> Aug 2020 and to spread happiness, even during the grim times of the Pandemic. Dotillism Art is a concept established by **Elsbeth McLean**, an Australian artist who believes this art can bring joy to people's life through vibrant colors and dots.

Although the art form uses dots as in Pointillism, her patterns simply provide a pattern, not an image. Ms Harshali Chandgadkar a student of MBA – II conducted an online Dotillism workshop on Zoom platform. The workshop was conducted for 1 hour and was attended by 70 participants, who enthusiastically drew their patterns, letting their creativity take lead.

The speaker highlighted the need and importance of the youth in contributing towards the welfare of our society to make India truly free and independent. He narrated a story to emphasise that we can contribute to society's welfare even if we cannot fight as soldiers. He also told the participants a short story of Gandhiji and his contribution to India's freedom. He stressed on the need to engineer special programs to help women and children. The emphasis should be on making them independent and self reliant through skill building and empowerment rather than in giving charity and making them dependent.

After the talk, Ms. Rucha Lathi a student from MBA, part 1 gave a small speech on building the spirit of nationalism. Ms. Anuja Jagdale and Ms. Jyotika Makhija sang patriotic songs.

## **Musical Webinar Yaarathon**

25 September 2020 [Online Programme]; Time: 11am to 12pm

NSS Unit of Sadhu Vaswani Institute of Management Studies for Girls Pune celebrated 'Yaarathon' on the occasion of NSS Day. The primary aim of the event was to use music to promote good health and wellbeing amongst students and to raise awareness on suicide and depression. The musical event started with a melodious song followed by a display of some magical tricks. A volunteer from Jalgaon recited a very touching poem emphasizing the need to spend time and be available for our loved ones. Then a small motivational talk was given on the current situation of youth in terms of stress and mental health. Students were advised to be ambitious but never go overboard and keep away from stressful situations; assess your capacity and then decide on goals. There was a question – answer session and Ms. Bindiya offered a vote of thanks.

#### **1 Webinar on “Empowering Women through Education”**

“There is no tool for development more effective than the empowerment of women.”

Kofi Annan

Sadhu Vaswani Institute of Management Studies for Girls has worked on living the quote of Mr. Kofi Annan and this time has organised a webinar on “Empowering Women through Education” on the occasion of Gandhi Jayanti, [1st October 2020, from 11am to 12:30pm.]

The event started off with Ms Harshali Chandgadkar’s talk on Gandhian thoughts on Women Empowerment. Mr Kanav Chavan, Founder of YUG Foundation, an NGO which works for Women Hygiene and Women Empowerment after introducing YUG Foundation and its work in the field of menstrual health and safety, focused on how important this issue was from the perspective of empowering girls with education, as mensuration was a major reason for school dropouts. His take on empowering women by first educating men towards their responsibilities and also the need for women to become sensitive towards other women was a fresh perspective towards dealing with the issue. He emphasized on the need to equalize chores at home first by not tagging men’s contribution as an occasional ‘help’, but making it a habit. His talk was very refreshing as he was representing the ‘men’ in ‘women’, striving towards empowering women.

The talk was followed by Dr. B H Nanwani’s address which focussed majorly on strengthening the will of girls to march towards their dreams and make them a reality. She appreciated Mr

Kanav Chavan on the work accomplished by YUG foundation. The floor was then opened for an intriguing Q and A session followed by a vote of thanks by Dr. Smita Iyer.

## **2 Vocational Skill Development**

On 1st October 2020, under the vocational skill development program, Dr. Smita Iyer took a video session on how to make commercially viable chocolates and coho-dip-cookies at home. She gave ideas to flavor the chocolates along with the costing per chocolate. She explained that with all the festivals lined up, chocolate selling could be a lucrative option for the SVIMS students to enter into a small business.

This was followed by a session on cake and muffin making by Ms. Sonal Bahgwat, Ms. Kaveri Bidkar and Manasi Jadhav, MBA batch 2018-2020 and MBA batch 2019-2021 students. Both the students are budding entrepreneurs who have started commercializing their culinary skills during the pandemic, taking the advantage of the wave for home cooked food in the market.

## **3 Yoga for Relaxation**

The day began with a relaxing session on facial yoga by the endurance enthusiast Faculty member of SVIMS, Ms. Bindiya Rangawani. She took the students through a journey of a peaceful trance of mental and beauty relaxation. The half an hour session not just relaxed the participants but also educated them on the importance of practicing yoga in one's life for better quality of life.

## **4 Good Food Good Health**

The importance of good food in one's life cannot be replaced by the riches of the world. SVIMS on 1st October 2020, organized a session on Good Food Good Health by its faculty members, Ms. Vaishali Patil and Ms. Bindiya Rangwani. They shared the importance good and healthy food in life. To make it a practice they taught students the recipe of Oat-Dry Fruit Ladoo. The students took away the learning- that a healthy food item as oat could be made into a mouthwatering ladoo and could be dressed with chocolate to make it tempting for both young and old.

## **Report - National Education Day**

11.11.2020

To commemorate the birth anniversary of Maulana Abul Kalam Azad, a Freedom Fighter and the first Education Minister of independent India, we celebrated the National Education Day by first singing the National Anthem and then, Ms. Cassandra Arockiam, a student from MBA-II enlightened all of us on the valuable contributions made by Maulana Abul Kalam Azad and his great life. After her speech, we initiated and conducted a discussion amongst students to know their opinions on ‘whether only a person who undertakes formal education can conduct himself/herself well?’ Majority of the students denied that only people who undertake formal education conduct themselves well and we ended the session with a prayer for well-being of all.

## Report- 129th Birthday of Savitribai Phule

4/01/2021

Sadhu Vaswani Institute of Management Studies is committed to and celebrates women empowerment. A special session was arranged to pay our tributes to an icon of strength and courage – Savitribai Phule (129<sup>th</sup> Birth Anniversary).

Ms. Bindiya Rangwani gave a brief introduction of Savitribai Phule and spoke about her contribution to the education of women in society. Savitribai set up a school for girls and women and is rightly honored as the 1<sup>st</sup> woman teacher of India. With her husband's support, she herself learned to read and write and further started teaching other women. She also tried to prevent female infanticide – the death of small girls and helped widows to live a life of dignity and respect. She helped women who were rape victims and gave them strength to deliver and raise their children safely.

Ms. Pooja Zavar, Mba Part II student narrated an incident from the life of Savitribai Phule. A poem was also recited in praise of Savitribai Phule. The programme ended with a video clip showcasing Savitribai's life journey and achievements.

## Powada - Chhatrapati Shivaji Maharaj's birthday celebration

19.02.2021

To celebrate one of our great heroes Chhatrapati Shivaji Maharaj, we had organized a competition that consisted of 2 categories: Story narration and Powada. The story to be narrated was to be based on Chhatrapati Shivaji Maharaj's life and Powada is a genre of Marathi Poetry that narrates historical events in an inspiring manner. It emerged during the late 17<sup>th</sup> century and the composers-cum-singers narrate historical events in a very exciting and glorified manner.

The participants were asked to submit a video of a story narrated by them or a Powada sung by them. A total of 15 students participated. Under the category of Story narration, Ms Ami Adodariya stood 1<sup>st</sup> while Ms Anuja Jagdale grabbed the 2<sup>nd</sup> place and under the category of Powada; Ms. Parishweta stood 1<sup>st</sup> while Ms Damini Pande stood 2<sup>nd</sup>. We all paid our respects to Chhatrapati Shivaji Maharaj by watching and carefully listening to these videos that so well spoke about his glorious life.

To observe the Sexual Assault Awareness month, we had joined hands with Aks Foundation. Aks Foundation is a Pune based Non-governmental Organisation (NGO) working to combat gender-based violence. Firstly, we organised and conducted a Poem-writing competition the theme of which was Sexual Assault. We had 21 entries, and the results were announced on 20th April 2021. The 2 winners declared were Ms. Aathira Nair and Ms. Laveena Dias. While the judges for this competition were: our Director, Dr. B Nanwani and Ms. Charu Mudholkar, Aks Foundation.

On 23rd April 2021, we had the Director of Operations at Aks Foundation as the speaker for a short program. She started the session right from the basics where she mentioned that even calling a lady by a name which outrages her modesty is a form of sexual harassment. She clearly laid down the various forms of sexual harassment and explained the meaning and differences between: Sexual harassment at workplace, stalking, Voyeurism, disrobing a woman, outraging a woman’s modesty, and insulting a woman’s modesty. With statistics from National Crime Record Bureau, 2019, National Commission for Women, 2020 and Business Standard Newspaper she revealed to us some astonishing facts of: a. one case of stalking takes place every 55 minutes, b. about 88 cases of rape take place every day, c. while the conviction rate is under 30%. She continued to explain the dynamics of sexual assault and the 4 trauma responses of: Flight, Fight, Freeze and Fawn. She ended the session by sharing the Aks helpline numbers with all of us.

## Report- Fresher's Party

29.05.2021

Our MBA II students had expected these pandemic times to end by the time they would move to the IVth semester and Part I students would progress to IInd semester to throw a Fresher's party for them. But, that did not happen and hence, they ultimately planned a virtual **Freshers'** meet. And how! Like it's theme of 'Colour yourself in Rainbow', this entire party was lighted up with colours. This meet carried more importance **this** year than ever because these students have yet not met each other offline. Thus, to bring everyone on a common platform and in a fun way, this **virtual** party was organised. While, physical interaction brings about dynamism and builds strong relationships, through interesting games and activities in this virtual meet, an effort was made to bring about team spirit, bonhomie and a sense of closeness. The most awaited Miss Fresher's contest was an integral part of this meet. The elimination rounds of this contest displayed to us the thoughts, the creativity and innovation of MBA I students. We actually witnessed a rainbow of personalities across the performance of the participants. Interestingly, this contest was judged by our alumni, Ms Darshika Chug and Ms Snigdha Das. Ms. Preeti Bhise was crowned Miss **Fresher 2020-2021**. All in all, this **Freshers'** party opened up beautiful secrets about students of MBA Part I.
