Annual E-Governance Report 2019-20

Administration:

The Institute went back to VRIDDHI Software for admission formalities of students at the Institute. The Student Data of AY 2018-19 was updated on the same. It helped to generate Fee Receipt, Roll Nos, various reports like Caste wise Summary, Age wise Summary, amongst others.

Finance and Accounts:

The Institute always advocated using online modes of payment. However, the students preferred to pay the fees in cash. With the pandemic, the Institute achieved the objective of doing all the financial transactions on an online basis.

Student Admission and Support:

The Institute was the authorized Facilitation Centre appointed by Directorate of Technical Education (DTE). Accordingly, document verification was done online for all the students who visited the campus.

Online confirmation of admission for each student was done who reported to the Institute through the Centralized Admission Process

The Institute believes in enhancing the scope of E-Governance. With the advent of Covid-19 pandemic, overnight our way of functioning changed. The institute acquired Microsoft License to shift to online mode of teaching. On account of lockdown, the following changes were observed in Student Admission and Support

a) Online lectures via MS TEAM
b) Study Material was uploaded on TEAMS.
c) Home Assignments were done by the students and were uploaded on the Google Form link shared by the Institute.

Examination:

The University decided to conduct the exams in MCQ format on account of pandemic. The faculty developed the database and practice was given to the students. Google Form was used extensively to conduct Mock MCQ Test.

It is proposed to enhance the scope of e-governance in upcoming years.

Annual E-Governance Report 2020-21

E-governance is the integration of Information and Communication Technology in all the working processes of the Institute. It aims to minimize the manual efforts and improve communication, create transparent systems, and to be cost and time effective. The success of any such initiative will then depend on the translation of such ideas/requirements into processes, which will be followed by its effective implementation.

SVIMS keeps pace with the recent applications of e-governance in terms of various functions being performed digitally through internet. The necessary infrastructure is provided by the Parent Body – Sadhu Vaswani Mission, and partly by the affiliating University – Savitribai Phule Pune University, State Government agencies, AICTE, etc.

Planning and Development

Online official communications regarding planning and development are realized through e-mails and messages. Proposals for infrastructural development, seminars & workshops, various grants and scholarships are prepared and submitted online to concerned organisations including state government and sanctions are obtained through the same mode. Necessary budget allocations for various schemes including research projects are also realized digitally through net-banking and other online modes. Various MIS modules are an integral part of the data and information transfer process between the Institute and the University, State Government Agencies, etc. The following main organisational assignments are carried out online-

- Working with various web-based MIS modules,
- Communication through e-mails to State Government and other agencies,
- Proactive disclosure of ceaseless information on its website.
- Large scale computerisation.
- Conduction of computer awareness programs for teachers and students,
- Management of e-library

Proper training for working on different user interfaces is organised throughout the year. Apart from maintaining online MIS & other data formats up-to-date and keeping hardware and software inventory of Institute up-to-date & accurate, new proposals for conduction of online courses and development of IT based infrastructure is also initiated by the Institute. A dedicated WhatsApp Group has been created at institution level for sharing orders, information, direction and discussion on a common platform.

Student Admission & Support

The admission process is governed by Directorate of Technical Education (DTE), Maharashtra.

- E-Scrutiny - Document Verification of prospective students on https://cetcell.mahacet.org, being the authorized Facilitation Centre.
- Centralized Admission Process (CAP) ensures that the Online Confirmation of Admission is done on the CET Portal - https://cetcell.mahacet.org
- At the Institute level, we have purchased the VRIDDHI Software to manage the student data and provide timely and transparent services to students.
- VRIDDHI Software is used for online admission process via link provided on Institute's website http://svims-pune.edu.in Post online fee deposit, students submit admission form, fee paid receipt and required documents in the Student Section of the Institute. Online admission and support activities include the followings as
- Student Registration on VRIDDHI Portal has data like demographic profile, graduation details, anti-ragging form submission, Aadhar card, fees paid, etc. on an online basis.
- Issue of Bonafide Certificate
- Letters for processing of Loan
- Fee Receipts
- Disclosure of admission rules/schedule on website.
- Verification of documents, payment of fees & other admission formalities.
- Preparation & publication of admission rolls and related statistics.
- Admission related data management through web-based MIS & e-mails.
- Management of different scholarship schemes for students.
- Disclosure of students-centric information/data/materials on website.
- Wi-Fi campus & Availability of internet/e-resources in library.
- Conduction of computer awareness/digital literacy programs for students.
- ICT based teaching in smart classrooms, and
- Maintenance of students' attendance in web-based formats.

For smooth running of academic activities MS TEAMS login credentials is created for all students, faculty and staff at SVIMS.

- Session Plans uploaded on MS TEAMS.
- Timetable announced through WhatsApp groups.
- Assignments, i.e. Continuous and Concurrent Evaluation are uploaded on MS TEAM.
- Student Feedback through Google Forms.

Administration

The Institute believes in the philosophy of going paperless. Only the forms/reports that are to be submitted to regulatory authorities are kept in physical format. Report of Event/activities/seminars, etc. are kept in digital format using open-source Software - Document Management System (DMS) and Event Management System (EMS) to ensure that the data is stored in electronic form and can be retrieved easily.

All internal communication within the Institute is via e-mails. The institutional tasks (list is exhaustive, not inclusive) carried out online as part of our E-governance initiative are

- Supervision of various scholarship schemes.
- Mandatory Disclosures on Website
- Institute Information on Institute Website
- Development of ICT based infrastructure in the Institute.
- Wi-Fi Enabled Campus
- Biometric Attendance System,
- Fully computerised office and academic departments.
- Organization of computer awareness programs.
- Digital Library.
- Salary payment to employees through net-banking.
- Cashless transactions & payments.

Examination

Internal Assessment pattern is through Continuous and Concurrent Evaluation (CCE). The Institute is extensively using the e-resources to preserve the CCE records for three years as per University Norms.

- Database of E-copy of CCE for all courses maintained.
- MCQ through Google Forms.
- Grievance Redressal Mechanism through Google Forms.
- The marks secured are then communicated to the University through the Internal Marks Entry System

For External Assessment

- University Examination fee deposit is initiated online through a software system developed exclusively by Savitribai Phule Pune University.
- Inward of Examination forms, i.e. approving the student's examination form for transferring the data to the University.
- Receipt of hall ticket through Institute Login
- Question papers are received electronically through the QPD.

Finance and Accounts

TALLY is used for recording accounting transactions and preparation of financial statements. Appropriate security measures are in place to ensure confidentiality of data and prevent unauthorized access.

Keeping the philosophy of E-Governance at its core, all financial transactions have become cashless. The salaries of employees including examination remunerations are paid online through NEFT/RTGS and rarely by cheques. All payments to vendors/service providers is executed cashless to maintain transparency and financial accountability in the system. Key highlights:

- Online payment of examination and admission fees by students.
- All kind of payments including salaries to staff-members through NEFT/RTGS.
- Disclosure of Financial Statements on website.
- Conduction of computer awareness programs for office-staff.
- Management of Institute's Bank Accounts with nationalized banks with maintenance of proper ledger at Institute level.

Annual E-Governance Report 2021-22

The institute uses the E-Governance Policy to implement it across various areas of operations at SVIMS. This will ensure that there is transparency within the organization.

Admission

The admission process is governed by Directorate of Technical Education (DTE), Maharashtra.

- Document Verification of Students, being the authorized Facilitation Centre
- Online Confirmation of Admission through Centralized Admission Process (CAP)
- Student Registration on VRIDDHI for monitoring all data like demographic profile, graduation details, anti-ragging form submission, Aadhar card, fees paid, etc. on an online basis.

Academics

- MS TEAMS login credentials for all students, faculty and staff at SVIMS.
- Session Plans uploaded on MS TEAMS
- Timetable announced through WhatsApp groups.
- Assignments, i.e. Continuous and Concurrent Evaluation are announced on MS TEAM.
- Student Feedback through Google Forms
- Attendance Monitoring through VRIDDHI

Examination

The Continuous and Concurrent Evaluation (CCE) is extensively using e-resources.

- Database of E-copy of CCE for all courses maintained.
- MCQ through Google Forms
- Grievance Redressal Mechanism through Google Forms

Administration

VRIDDHI software is used extensively for various administrative activities like:

- Providing Bonafide Certificate
- Letters for processing of Loan
- Fee Receipts
- Leaving Certificate

SADHU VASWANI INSTITUTE OF MANAGEMENT STUDIES FOR GIRLS
6, KOREGAON ROAD
PUNE - 411001

All internal communication is via e-mails.

Use of open-source Software - Document Management System (DMS) and Event Management System (EMS) to ensure that the data is stored in electronic form and can be retrieved easily.

- Supervision of various scholarship schemes,
- Maintenance & disclosure of comprehensive information on its web-page,
- Development of ICT based infrastructure in the College,
- Wi-Fi campus and biometric attendance system,
- Organization of computer awareness programs,
- Management of e-resources in central library & departmental libraries,

Finance and Accounts

TALLY is used for recording accounting transactions and preparation of financial statements. Appropriate security measures are in place to ensure confidentiality of data and prevent unauthorized access.

Keeping the philosophy of E-Governance at its core, all financial transactions have become cashless. The salaries of employees including examination remunerations are paid online through NEFT/RTGS and rarely by cheques. All payments to vendors/service providers is executed cashless to maintain transparency and financial accountability in the system. Key highlights:

- Online payment of examination and admission fees by students.
- All kind of payments including salaries to staff-members through NEFT/RTGS
- Disclosure of Financial Statements on website.
- Conduction of computer awareness programs for office-staff,
- Management of Institute's Bank Accounts with nationalized banks.

Website

The website of the Institute acts a mirror of the activities/events happenings within the campus. It is updated on a regular basis.

Annual E-Governance Report 2022-23

E-Governance is extensively practiced at SVIMS through Software Acquired or Developed Inhouse.

Administration:

The Institute applied to AICTE for introduction of the MCA Programme from AY 2022-23. The visit was conducted on an online basis. All the documents were shown electronically to the committee members that were accepted. The Institute received the approval to commence the MCA Program.

For conducting the administrative formalities, VRIDDHI is used by the faculty and staff for generating reports like:

a) Generation of Reports Based on Requirement
b) Religion wise Summary of Students
c) Category wise Summary of Students
d) Age wise Summary of Students
e) Aadhar Card Details of Students
f) Anti Ragging Form Submission Register
g) Birth Date Register
h) Bonafide Certificate
i) Recording Student Attendance and Summary thereof
j) Leaving Certificate

Besides this, the Institute uses WhatsApp extensively for declaring the Timetable and giving information related to Events, Exam Forms, Announcement of Certificate Courses, etc.

Data Management System (DMS):

The software developed in-house is used for storing and retrieving all the documents electronically like MOU, University Results, Meeting Records, etc. Therein Event Management System (EMS) stores and retrieves all the data related to events electronically like – Photos, Videos, Attendance, Guest Profile, Website Report, etc.

Finance and Accounts:

The Finance & Accounts Department uses the TALLY Software for generation of vouchers and year end reports:

a) Cash Flow
b) Working Capital
c) Ledger Balances
d) Receipts and Payments A/c
e) Income & Expenditure A/c
f) Balance Sheet
g) Ratio Analysis

All the transactions are done on an online basis. The students pay the fees through NEFT/RTGS or by using QR Code. Similarly the payments are done by the Institute through extensive use of Internet Banking.

Student Admission and Support:

MBA and MCA admission process is governed through DTE, Maharashtra.

1. Document Verification of students done online being the authorized Facilitation Centre.
2. Confirmation of admission through online process for students admitted to MBA and MCA Programme through the Centralized Admission Process (CAP).

ABC ID created by students on Ministry of Education Portal.

VRIDDHI Software was acquired in 2016 to aid in database management of students. During the admission process, it is used for the following:

a) Student Admission Form
b) Admission Receipt
c) Admission Register
d) Subject wise Register
e) Fee Collection
f) Fee Receipt
g) Current Admission Status
h) Date & Caste Category wise Summary Report
i) Class wise Statistical Report
j) Admission Fees Collection – Category Based
k) Roll Call Register Interface
l) Roll Call Register with Student Admission Status

Microsoft

a) MS TEAM credentials created for each incoming batch.
b) Internal communication via email with staff and students.
c) Study Material shared with students.
d) Online Meeting
e) Online Lectures
f) The Institute shifted from Google Form to Microsoft Form for collection of data to ensure that all Student Data is available on one platform. The range of activities include:

- Assignments, i.e. Continuous and Concurrent Evaluation are announced on MS TEAM.
- Submission of Soft Copy of Assignment
- MCQ
- Grievance Redressal Mechanism – For Assignments
- Selection of Specialization
- Collection of Summer Internship Data from Students
- Enrolment for various courses
- Undertaking Feedback from various stakeholders.

Examination:

At the Institute Level, VRIDDHI is used for the following:

- Exam Data Processing Module
- Exam Form Register AY 2022-23 – Interface.
- Exam Form Register AY 2022-23 – Report.
- Practical Batch Creation
- Batch Wise List of Students

For University Examinations, students fill in the examination form on the University Portal. The forms are acknowledged and 'Inwarded' through the Institute Login.

a) Hall tickets are received online. Corrections, if any, are done online by the Institute.
b) Internal Marks entered on SPPU Internal Marks Entry System electronically.
c) Question papers for examination are received electronically.
d) Absentee Report for each exam filed online.
e) Students Result declared through their login.
f) Form for Revaluation to be filled online by the students.

Others:

The Institute is having CCTV Surveillance throughout the campus. The Management has sanctioned revamping and upgrading the System on all other floors.

We are going in for Accreditation Management Solution. It is a one stop platform which helps to streamline the teaching learning process and collect data systematically for any accreditation body.

E-Governance Policy

	Policy Title: E – Governance POLICY	
1. A	Administrative Policy Number (APN): (Suggested By IQAC)	
1. B	Functional Area: All aspects of SVIMS operations	
2.	**Policy Applies to:**	• Students • Faculty • Office Staff • External Stakeholders [Regulatory Bodies, Parents and Public at large]
3.	**Effective from the Date:**	With effect from Academic Year 2021-22
4.	**Brief Description of the Policy**	The governance brings about de bureaucratisation of administration, enhances accessibility to data and brings about quick decision making. The Policy details out areas of e – governance, reasons for adoption of e governance, safeguards in the use of ICT tools, safety and privacy issues and financial and other implications as also due diligence in identifying new areas of e governance. Application of IT in governance can help the Institute in expanding its reach and improving its visibility among stakeholders
5.	**Reasons for the policy**	1. To enhance 'good education' – innovative ways of teaching-learning and monitoring of achievement of academic standards 2. To empower faculty, staff and students to participate in governance. 3. To enjoy benefits and advantages of e – governance in various areas of academics and administration such as: a. Convenience to stakeholders b. Enhancing effectiveness [speed and efficiency] whether in academic/administrative work c. Improving transparency in operations

		d. Making the institute's functioning cost effective e. Introducing Sustainable and environment friendly measures of operations 4. To broadly decide on which areas of administration [E administration] delivery of services/facilities [E services] and participation of stakeholders [E participation] in decision making that will be covered. 5. To decide on training that will be required to implement these changes. 6. Financial feasibility of introducing e governance. 7. To lay down a decision-making structure for before, during and after introduction of e governance.
6.	**Process**	Refer Annexure
7.	**Documentation**	
8	**Approved by:**	Dr. B H Nanwani, Director, SVIMS
9	**Responsible Authority**	Head of Department
10	**Superseding Authority**	Director
11	**Last Reviewed/ Updated:**	
12	**References for the policy**	NAAC Documents

ANNEXURE

Process of E-Governance

This Section is divided into 2 parts:

A. Steps to Be Followed for Introduction of E – governance.
B. Areas of academics and operations covered by E – governance.

Decisions about e-government typically revolve around **People, Process, Technology and Resources.**

While taking decisions, care must be taken to ensure that the **Process** is simple, efficient, user friendly, sustainable and cost – effective; **People:** the decisions must be aligned to vision and leadership values of commitment and competence; **Technology:** architecture, open standards, reliability, scalability, security must be ensured; **Resources:** holistic, efficient, service – oriented, sustainable and adequate.

Steps

1) Explore new areas of application of ICT in any of the following or related fields:
   - Administration
   - Academics
   - Finance and Accounts
   - Student Admission and Support
   - Examination

Such exploration is the first step to gaining a competitive edge. This exploration/brainstorming can be done by any faculty member/student/staff.

2) Prepare a proposal outlining:
   - Features of ICT tool
   - Benefits and suitability for the Institute
   - Cost Benefit analysis
   - Training required.
   - Competitors who are using it
   - Period required for implementation.
   - AMC
   - Credibility of Vendors [Vendor Analysis]
   - Address data security and privacy issues
3) Present the report to the Director and IQAC
4) If found suitable, it will be included in Budget for the ensuing year and management sanctions will be procured.
5) Get a buy in from stakeholders for introducing the change.
6) Study and present Impact Report

A. Areas of Academics and Operations covered by E-Governance

The institute applies E-Governance in the following broad areas:
1) Administration
2) Finance and Accounts
3) Student Admission and Support
4) Examination
5) Library

While identifying areas of governance, four factors are kept in mind:

a) **Information:** helping to access information by putting information on web-sites.
b) **Interaction**: allowing stakeholders to enquire about services, procedures etc., and filling up forms and submitting them online.
c) **Transaction:** allowing payments online.
d) **Transformation:** a mix of all the above and allowing the stakeholders to participate in governance

Typically, the areas of e governance covered include within its scope:

- Institute to Regulatory Bodies
- Institute to Internal Stakeholders [Staff, Students, Management]
- Institute to External Stakeholders

Specific Areas of E Governance:
The **Website** acts as an information center and is used to showcase the Institute, its programmes, activities, important notices etc. It is in effect a tool for branding and also serves as an instrument for disseminating information to stakeholders as per mandates of regulatory bodies.

Given its importance, the IT Lab in charge along with HOD work on the administration of the website. Important changes made in the architecture/design of Website are done only after the Director's permission. Training is given to the administrative and teaching staff to make important updates on the website.

1) Administration
SVIMS has implemented VRIDDHI ERP Software in the areas of administrative tasks like student enquiries, admissions, subject choices etc.
VRIDDHI offers some options for customisation – like incorporating logo, watermark etc.

Attendance Management Module under VRIDDHI is used by teaching faculty to record attendance and the administrative staff use it to track the attendance.

Monthly reports are generated. Semester End Internal Assessment of the marks is made according to the attendance.

Additionally, an open-source software - **DMS** (Document Maintenance System) system which has been configured and customised to meet institutional needs of storing and retrieving all documents related to institute property, NAAC data and academic and administrative work.

EMS (Event Management System) is designed and used to store and retrieve all the data related to events like – photos, videos, attendance, guest profile, reports, etc.

The administrative staff use Emails for internal communication.
Submission of lesson plans is done through e-mail.
Students are sent reminders about scholarships, fees etc on email and WhatsApp groups.
Time and Attendance Management is done through the biometric machine. This assists in recording absenteeism, and accurate payroll processing.

2) Finance and Accounts

TALLY is used to maintain accounts.
Financial Statements are generated through TALLY.
Financial Analysis and report generation is possible through TALLY.

All payments are made digitally through NEFT, RTGS, Bank Transfers, QR codes etc.
Form 16 for Income Tax are generated on
https://www.tdscpc.gov.in/app/login.xhtml

Provident Fund are paid through https://unifiedportal-emp.epfindia.gov.in/epfo/
Profession Tax are paid through https://mahagst.gov.in/en/order-dues-payment

3) Student Admission and Support

Admissions are done online through 'State Common Entrance Test Cell, Maharashtra State' Admission Portal
https://cetcell.mahacet.org/CAP_landing_page_2022/
Students are entitled to manage their admission including cancellation through this portal.

All documents to prove eligibility for admissions including caste certificates etc are done on this portal.

Eligibility processes are done online on Savitribai Phule Pune University Portal https://bcud.unipune.ac.in/root/login.aspx

The final admission at SVIMS is recorded trough VRIDDHI.

Admissions are ratified by DTE and Admission Regulatory Authority and Pravesh Niyantran https://cetcell.mahacet.org/CAP_landing_page_2022/

The Institute's Brochure is displayed on the website that has guidelines for the admission process.

Student Scholarships [Caste based and Economic status] are managed online through MAHADBT -'Aaple Sarkar DBT Portal (Direct Benefit Transfer)' https://mahadbt.maharashtra.gov.in/Login/Login

4) Examination

The institute has developed an online system for conducting CCE where students can view their assessments, total internal assessment marks, lodge grievances etc.

Hall tickets are generated on VRIDDHI for Internal Examination, creation of batches, creation of students' seat numbers, allotment of exam duties etc.

The External Examination process is regulated by the University and thus e-governance policy of the University is adopted in this regard.

Exam related grievances, changes in marks, errors in hall tickets, revaluation etc are done through SPPU portal - http://www.unipune.ac.in/university_files/Reval_Online_Results_online.htm

5) Library Management System

The library manages knowledge, both in print and digital formats.

The library is rich in e resources and databases.

We use KOHA – open source software – and has features of cataloguing, Customizable search, Online circulation, Bar code printing etc.
